

transform your garden

There is no real substitute for natural stone. It has a character and life of its own, which cannot be matched by cast products.

If you are looking to improve the environment you live in and add value to your home, the natural choice, is natural stone.

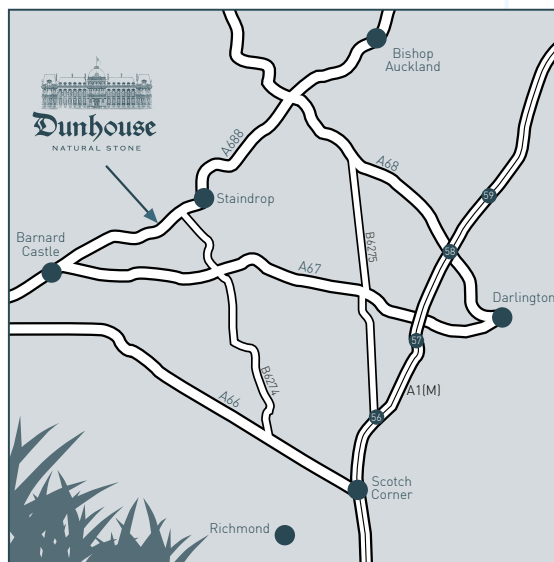

Dunhouse offers a comprehensive range of products to suit all tastes.

You are welcome to visit our yard near Staindrop, where our goods are displayed and our friendly staff will help you to make the right choice for your garden.
